IMPORTANT INFORMATION ABOUT YOUR INVESTMENT IN BNY MELLON EUROLAND BOND FUND

Dear Shareholder,

We are writing to notify you of changes to the BNY Mellon Euroland Bond Fund (the “Sub-Fund”). Changes will be made to the following sections of the Sub-Fund supplement which make up part of the BNY MGF prospectus.

• The Benchmark: The Benchmark will change from the Citigroup Euro Big Index (formerly the Salomon Euro Broad Investment Grade (BIG) Index) to the Barclays Capital Euro Aggregate Bond Index. This change will be made as Stendish Mellon Asset Management Company, LLC (the “Investment Manager”) believe the Barclays Capital Euro Aggregate Bond Index is rapidly becoming the industry standard for funds of this type and it offers a broader investment universe.

• Duration: The portfolio average weighted duration will increase to +/- 40% from +/- 20% of the Benchmark. The expansion of this band allows the Sub-Fund flexibility to respond to a changing yield environment, to assist in achieving the aim of preserving capital while assisting the Investment Manager in its aim of generating returns in excess of the benchmark
