Dear Shareholder,

We are writing to inform you that HSBC Global Investment Funds – Economic Scale US Equity sub-fund, in which you own shares (the "Sub-Fund"), no longer references a benchmark for market comparison purposes. The Fund's prospectus has been updated as detailed below to reflect this change.

The investment objective, strategy and risk weighting of the Sub-Fund is not changing. The continuing aim of the Sub-Fund is to provide long term total return by investing in a portfolio of equities.

If you have any questions, please contact your local agent or HSBC Asset Management office.

For and on behalf of the Board of HSBC Global Investment Funds

<p>The sub-fund is actively managed and does not track a benchmark. The reference benchmark for sub-fund market comparison purposes is S&P 500.</p> <p>The Investment Adviser will use its discretion to invest in securities not included in the reference benchmark based on active investment management strategies and specific investment opportunities. It is foreseen that a significant percentage of the sub-fund's investments will be components of the reference benchmark. However, their weightings may deviate materially from those of the reference benchmark.</p> <p>The investment management process will result in periods when the sub-fund's performance may be close to that of the reference benchmark, as well as periods when it is not.</p>	<p>The sub-fund is actively managed and does not track is not constrained by a benchmark.
