(the “Funds”)

We are writing to advise you that the investment policies of the Funds have been updated to clarify that indirect exposure to China A shares will be via instruments such as participatory notes, rather than by the use of derivatives.

Rationale

The investment policy of each Fund provides that derivatives may only be used with the aim of reducing risk or managing the Fund more efficiently. To ensure consistency with the policy, the reference to China A exposure being available indirectly via derivatives has been removed.

All other key features of the Funds will remain the same.
