Dear Shareholder,

We are writing to inform you that the investment objective of a number of sub-funds, in one or more of which you own shares (the "Sub-Funds"), will change on 26 May 2021 to reflect an enhanced investment strategy.

The core investment objective, strategy and risk weighting of the Sub-Fund is not changing.

You do not need to take any action. However, you do have three options that are explained below.

Please take a moment to review the important information given below. If you have any questions, please contact your local agent or HSBC Global Asset Management office.

For and on behalf of the Board of HSBC Global Investment Funds

The Changes

As of 26 May 2021 the Sub-Funds listed below will be permitted to invest, to the level shown, in UCITs eligible closed-ended Real Estate Investment Trusts (REITs).

The Sub-fund	Permitted Investment, as a percentage of assets under management in Real Estate Investment Trusts (REITs)
Asia Ex Japan Equity	10%
Asia Pacific Ex Japan Equity High Dividend*	10%
Asia Ex Japan Equity Smaller Companies*	15%
China A Shares Equity	10%
Chinese Equity	10%
Hong Kong Equity*	10%
Indian Equity	10%
Thai Equity	10%

* These Sub-Funds currently have a small allocation in REITs, below 5% of their net assets, which is permissible under UCITS regulations without the need to expressly advise investors. They are included in this notification because an investment of above 5% will become permissible.

Reasons for the changes

We reviewed the Sub-Fund to ensure that it is being given the best opportunity to fulfil its investment aim and meet client expectations.

The addition of REITs will support this by giving the investment manager greater opportunity to invest indirectly in real estate.

Your Options

1. **Take no action.** Your investment will remain as it is today.
2. **Convert your investment to another HSBC Global Investment Funds sub-fund.** If you wish to ensure the switch is completed before the changes become effective, instructions must be received before the implementation date as given in the right-hand column. Please ensure you read the Key Investor Information Document of the sub-fund you are considering.
3. **Redeem your investment.** If you wish to ensure your redemption is completed before the changes become effective, instructions must be received before the implementation date as given in the right-hand column.

Options 2. and 3. may have tax consequences. You may want to review these options with your tax adviser and your financial adviser.

Regardless of which option you choose, you will not be charged any switch or redemption fees by HSBC. Please note that some distributors, paying agents, correspondent banks or intermediaries might charge switching and/or transaction fees or expenses at their own discretion.
