Luxembourg, 25 September 2009

Dear Shareholder,

We are writing to inform you of some important changes to **HSBC Global Investment Funds – European Government Bond** (the "Fund"), a sub-fund of HSBC Global Investment Funds ("HSBC GIF").

The board of directors of HSBC GIF (the "Board") has decided to close the Fund with effect from the close of business on 23 October 2009 (the "Liquidation Date").

1. Reason for the liquidation

The Board considers that the Fund has insufficient assets under management and is unlikely, in the opinion of the Board to grow in a way that would make it viable over the long term.

The Board therefore proposes to close the Fund in order to protect the best interests of Shareholders.

2. Terms

All costs associated with this closure will be covered by the existing provisions made by the Fund to meet operating, administrative and services expenses. This is with the exception of any potential costs associated with the timely disposal of the Fund's holdings in a way in which the Investment Adviser believes will best protect Shareholders' interests.

Subscription, redemption or conversion of the shares will remain possible until 19 October 2009.

As an existing Shareholder, you may take this opportunity to switch free of charge from the Fund to any other subfund within the HSBC GIF range.

Shareholders with investments remaining in the Fund at the Liquidation Date will receive their pro-rata entitlement to the proceeds after the close of the liquidation of the Fund conducted by the Board in accordance with Luxembourg laws and regulations.

The Board accepts responsibility for the accuracy of the information contained in this letter.

Yours faithfully,

HLU0000107

On behalf of the Board
