20 April 2010

To the Shareholders of BlackRock Global Funds – Japan Fund, BlackRock Global Funds – Japan Small & MidCap Opportunities Fund, BlackRock Global Funds – Japan Value Fund (the "Funds")

Dear Shareholder,

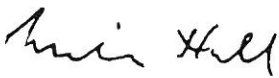

Stock exchanges in Japan will be closed to trading for the "Golden Week holidays" on 3, 4 and 5 May 2010. As a substantial proportion of the investments of the Funds are listed and traded on Japanese stock exchanges, the Directors have taken the view that it is in the best interests of the shareholders in the Funds that the Funds be closed to dealing during the Golden Week period.

The Directors have therefore declared that 30 April 2010 and each of 3, 4 and 5 May 2010 will not be Business Days, as defined in the Prospectus, for the Funds and, therefore, there will be no valuation of the Funds or dealing in the Funds on those days. Any dealing requests submitted after 12 noon (Luxembourg time) on Thursday 29 April 2010 in respect of the Funds will then be processed on the next Business Day for the Funds, being Thursday 6 May 2010.

Please note that this will not affect dealing in any of the other funds in the BlackRock Global Funds range.

You are not required to take any further action as a result of this letter. However, if you would like any further information, please contact the local Investor Servicing Team on +44 (0)20 7743 3300 or your Relationship Manager.

Yours faithfully

Nicholas Hall
Chairman
