Dear Shareholder,

Schroder International Selection Fund – Global Multi-Asset Income

The board of directors of Schroder International Selection Fund has decided to clarify the investment policy of Schroder International Selection Fund – Global Multi-Asset Income (the "Fund").

The Fund currently has the ability to invest 'in excess of 50%' of its assets in below investment grade fixed and floating rate securities. As the Fund does not invest in excess of 50% of its assets in such securities, the policy will be clarified to state that the Fund can invest 'up to 50%' of its assets in below investment grade fixed and floating rate securities.

All other key features of the Fund will remain the same. The ISIN codes of the share classes affected by this change are listed in the appendix of this letter.

If you have any questions or would like more information about Schroders' products please contact your local Schroders office, your usual professional adviser, or Schroder Investment Management (Luxembourg) S.A. on (+352) 341 342 212.

Yours faithfully,
